### VOUCHER APPLICATION INFORMATION

About

RA 10533 otherwise known as the Enhanced Basic Education Act of 2013 has mandated the Department of Education (DepEd) to formulate programs to enact the abovementioned provision of the law. In line with this, DepEd Order No. 11 series of 2015 (DO 11 s.2015) introduced the Senior High School Voucher Program (SHS VP) as a mechanism to provide financial assistance to senior high school students.

Non-ESC Grade 10 completers from Private Junior High Schools who wish to avail of vouchers shall be required to apply for vouchers subject to an assessment of their socioeconomic status and if deemed qualified shall also receive 80% of the full voucher value.

Who are eligible?

Students finishing Grade 10 by March 2017 are eligible to be part of the Senior High School Voucher Program.

If a student finishes in a public school, he/she is automatically a Voucher Program Beneficiary. The same is true for Grade 10 students in private schools who are part of the Education Service Contracting (ESC) program of the Department of Education. To know whether or not you are part of these pre-qualified beneficiaries, please see your school Principal or Registrar.

Students who are not pre-qualified as beneficiaries need to undergo an application and screening process.
