- Aggregated data may be generated from your personal data for study and reporting purposes
- Parents or Legal Guardian of the applicant/student for information purposes
- Personal Data SHALL NOT be shared with parties not currently stated without prior additional consent from the data subject

The personal data of the legal guardian are shared with the following units within the university for the previously stated purposes

- Colleges and Departments relevant to the program or degree of the applicant/student
- Guidance Center for exam and evaluation purposes as well as for conducting internal improvement surveys and research
- University Security and Discipline office for maintaining security to the university
- Aggregated data may be generated from your personal data for study and reporting purposes
- Applicant/Student for information purposes
- Personal Data SHALL NOT be shared with parties not currently stated without prior additional consent from the data subject

*Disposal:*

All applicant data are transferred to the Office of the University Registrar upon acceptance and enrollment. Such data is stored by the university in perpetuity as needed by general practices of registrars of universities. Although there is a clause on not allowing perpetual storage of personal data under RA10173 for undeclared and unforeseen purposes, the university is applying the National Privacy Commission Advisory Opinion 2017-24 as a basis for the storage of the personal data in perpetuity which includes the Diploma and the Transcript of Records of the student.

All applicants that were not accepted or did not enroll during admissions, the personal data collected of the applicant as well as their legal guardian shall be kept for a period of 1 year from application period so as to allow applicants to enroll at a later time if they decided to do so. Upon the lapse of the 1 year period, paper documents shall be shredded for secure disposal. Electronic records shall be deleted securely as well. All personal data collected of the legal guardian of enrolled

students shall be retained for course of the duration of the university life of the student. Once the student graduates, such personal data shall be disposed of in a secure manner.

Basic Rights of the Data Subject:

[Source: RA 10173 <https://privacy.gov.ph/data-privacy-act/>]

As the Data Subject, you are afforded the following rights as written in RA 10173 otherwise known as the Data Privacy Act of 2012.

1. Right to be informed. The data subject has a right to be informed whether personal data pertaining to him or her shall be, are being, or have been processed, including the existence of automated decision-making and profiling and shall be notified and furnished with information indicated hereunder before the entry of his or her personal data into the processing system.
2. Right to object. The data subject shall have the right to object to the processing of his or her personal data, including processing for direct marketing, automated processing or profiling. The data subject shall also be notified and given an opportunity to withhold consent to the processing in case of changes or any amendment to the information supplied or declared to the data subject in the preceding paragraph.
3. Right to Access. The data subject has the right to reasonable access to, upon demand of his or her personal information.
4. Right to rectification. The data subject has the right to dispute the inaccuracy or error in the personal data and have the personal information controller correct it immediately and accordingly, unless the request is vexatious or otherwise unreasonable.
5. Right to Erasure or Blocking. The data subject shall have the right to suspend, withdraw or order the blocking, removal or destruction of his or her personal data from the personal information controller's filing system.
6. Right to damages. The data subject shall be indemnified for any damages sustained due to such inaccurate, incomplete, outdated, false, unlawfully obtained or unauthorized use of personal data, taking into account any violation of his or her rights and freedoms as data subject.
